

Will and her approach the cash register at the same time as the others continue to argue not even noticing them.

WILL  
Sorry about that.

MELISSA  
That's okay.

WILL  
Is this all?

MELISSA  
I don't know is it?

Will looks at her unsure of what she means. She has an innocent smirk on her face.

WILL  
Uh, I mean with your purchase.

MELISSA  
Oh, uh huh.

He rings her up, places the movies into a bag and hands them to her.

WILL  
Okay, well, you have a nice day.

MELISSA  
Oh, it's already started. Ya know I'm having lunch today alone.

She says, obviously wanting him to ask her out.

WILL  
(clueless)  
Okay, well, have a great time.

Frustrated, but politely she turns to leave.

MELISSA  
Thanks.

## Scene 2

INT. RESTAURANT - LATER

LORI

So you told him you were having lunch  
by yourself and he didn't say anything?

MELISSA

No, he said that's great.

LORI

Oh, I don't know Mel, this guy doesn't  
have a clue.

MELISSA

Yeah, I know...but I think that's partly  
why I'm so attracted to him.

LORI

Yeah, well I think he's been working  
with that idiot Jay for so long it  
just might be frying his own brain.

MELISSA

(smirking)

Oh no, he's intact...definitely intact.

She takes a sip of her drink.
