

JAY (cont)

Hi Vanessa, can I help you?

She walks past him not even batting an eye.

VANESSA

You wish.

She walks up to the...

COUNTER

Notices Shorty standing nearby but doesn't even look at him.

VANESSA

Get him.

Shorty, slightly intimidated goes to the back room and within seconds Will comes to the front, right up to Vanessa.

WILL

What are you doing here?

VANESSA

We need to talk. Just give me five minutes and I'll be on my way.

He thinks about it for a second then starts to go around the counter to join her.

WILL

Shorty you got the store.

SCENE 2

WILL

What am I doing here? What are you doing here? You said you were going to the mall.

VANESSA

We are. We haven't left yet...

WILL

Vanessa, Graham told me he saw you at Starbucks talking to some guy!

VANESSA

Okay, first of all it was just Billy. Second of all are you spying on me now?

WILL

No!

He backs off feeling like an idiot. She senses it and moves in with her usual charm.

VANESSA

Oh baby..baby, baby, baby, look at you. I told you that was over.

She starts to caress him rubbing herself against him with her hands through his hair.

VANESSA (cont)

You know I love you. Stop worrying. You know what, I think we need a night out. How about tonight after work you come by and pick me up and we go do something special okay?

WILL

(reluctantly)

Yeah, okay.

VANESSA

Okay. I'll call you later, okay.

WILL

Yeah.
